

The Passion of Our Lord – A Spiritual Journey to the Swiss Alps

You are invited to join Revs. Dave and Beth Westphal for an inspiring and uplifting journey to witness the Passion Play in Oberammergau, Germany and to explore the Swiss Alps while engaging in prayer, reflection and spiritual renewal. Working with the internationally known Educational Opportunities Tours, the ten-day trip includes tickets to the Passion Play in Oberammergau. This production is only offered every ten years and portrays the story of Jesus' suffering, death and resurrection. Since 1634, the residents of this Bavarian village have produced this play in thanksgiving to God for sparing them from the Plague. It is truly a once-in-a-lifetime adventure.

In addition, the journey carries you into the heart of the Swiss Alps where you will experience the cultural, historical and scenic beauty of Switzerland. From small alpine village to medieval castles, from the idyllic lake country to the heights of the Matterhorn, you will become immersed in the wonder of Swiss culture. Along the way, under the leadership of Dave and Beth, there will be times for meditation, reflection and contemplation, not only on the Passion Play, but on the spiritual life. It will be a journey of devotion and prayer.

The Passion of Our Lord – A Spiritual Journey to the Swiss Alps departs JFK in New York June 3, 2020 and returns June 13. The cost of the trip is \$4598 (per person) and includes airfare (from JFK, New York), motorcoach transportation, lodging, daily buffet breakfasts and dinners, tickets to the Passion Play, additional entrance fees and other amenities.
